RE:C00629709 – Mid-Year Report (01/01/2021 – 6/30/2021)

Dear Mr. Beckman:

We are responding to your August 12, 2021 letter requesting additional information regarding earmarked contributions that No Labels Problem Solvers Political Action Committee ("Committee") transmitted to candidate committees. Among several precautions the Committee took to protect the health of its staff during the pandemic, it limited staff access to the office. Consequently, the Committee staff checked the mail only periodically. Unfortunately, this precaution caused a delay in transmitting the earmarked checks to the candidate committees. The Committee is now able to check the mail on a more frequent basis and it has implemented new tracking procedures to prevent a reoccurrence. Accordingly, we respectfully request that the Reports Analysis Division take no further action based on this explanation and the Committee's new procedures.

Please let me know if you have any further questions.

Sincerely

Jerry Howe
Treasurer
